

**Gurango Software Corporation named to
2008 Microsoft Dynamics President's Club**

*Microsoft honors Gurango Software Corporation for
outstanding customer commitment and sales achievement*

(Manila, Philippines, July 8, 2008) – Philippine-based Gurango Software Corporation has been named to the 2008 Microsoft Dynamics President's Club for the second consecutive year, receiving recognition from Microsoft Corp. for its dedicated commitment to customers. This honor reflects Gurango Software's success in extending the Microsoft Dynamics platform to drive business advantages in companies worldwide.

This recognition came during the Microsoft Worldwide Partner Conference 2008 in Houston. The elite club recognizes the top 5 percent of Microsoft Business Solutions partners worldwide and their constant dedication to delivering solutions that meet their customers' unique needs, active pursuit of product and technological advancement, and impressive sales performance.

"Microsoft is proud to congratulate Gurango Software on being named to this year's Microsoft Dynamics President's Club," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "Gurango Software not only has demonstrated a high level of product expertise, but also has provided a superior level of service and commitment to our Microsoft Dynamics customers, ultimately contributing to the overall success of Microsoft Dynamics and companies worldwide."

Gurango Software develops and distributes industry solutions that can be deployed as stand-alone applications or fully integrated into the Microsoft Dynamics platform. Among its proprietary solutions are: Forum Management Series, a robust suite of solutions for associations and events management companies; SmartHR, a premier Human Capital Management (HCM) system with high-value functionalities; and DynamicPay, a multinational payroll platform that integrates with SmartHR. Gurango Software also operates as a Microsoft Dynamics Value Added Reseller, providing implementation, customization, training and consultation services for small, midmarket and corporate businesses using business applications.

Gurango Software Corporation has offices in the Philippines, Singapore, Australia, United States, and South Africa

"GSC works continually to find ways to innovate our products and services so that they stay relevant to our customers' needs," chief operations officer Fermin Taruc said. "For example, as we pursue global customer base expansion, we have recognized the growing value of intuitiveness in product development. As a result, a significant level of our research and development effort is directed towards increasing the intuitive qualities of our solutions to meet and surpass our clients' requirements. The President's Club recognition is a testament to this effort," he said.
