management solutions for everyone

# testimonials

## CLIENT TESTIMONIALS

"Gurango Software will continue to add value to the organisation and assist us to streamline our processes, adding efficiencies and bottom line ROI."

**- Ian Townsend, HR Manager  
Queensland Baptist care**

"As a Human Resources Manager at a busy aged care facility, I am thankful we have a system like the SmartHR solution to provide immediate critical information management."

**- Judith Bradley, HR manager  
Sisters of St. Joseph Aged Care Services**

"Their staff has consistently impressed us with their professionalism, attention to detail, and willingness to go the extra mile to ensure our satisfaction."

**- Robert Perry, Associate Director for  
Administration  
American Board of Podiatric Surgery, San  
Francisco CA**

"Gurango Software Corporation has provided top-notch service and suggestions on issues of migration, e-transaction development, and back-end module integration. Their support is the best that we have ever seen for an AMS provider."

**- John Whitney Pepper, Finance/Business  
Director  
US National Council on Family Relations**

## PARTNER TESTIMONIALS

"We are privileged to have Gurango Software as part of the Microsoft Dynamics team, and their customers are fortunate to be served by Gurango Software."

**- Cesar Cernuda, General Manager  
Microsoft Business Solutions International**

Thank you for your deep commitment to our mutual customers and for building the Microsoft Dynamics business. President's Club represents our top channel partners and reaching this important milestone is a significant accomplishment for your entire team.

**- Kirill Tatarinov, Corporate Vice President  
Microsoft Business Solutions**

You have achieved quite an accomplishment to earn your way into this group that represents the top 5% of all Dynamics Partners.

**- Doug Kennedy, Vice President, Dynamics Partners  
Microsoft**

"Gurango Software Corporation truly deserves all the success it is receiving right now with their strong commitment to help grow the local software economy by offering its customers industry-leading services, solutions and support. This commitment has led them to achieve double-digit growth, exceeding all their targets. The company's passion for excellence has added to their distinction as a gold standard partner. We are honored to be a part of Gurango's growth, not only locally, but also in the international arena,"

**- Louie Castañeda, SMS&P Director  
Microsoft Philippines**

*By serving clients globally, we help growing organisations improve the productivity of their people and reduce costs through robust, integrated solutions built on the Microsoft technology platform. Providing Enterprise Resource Planning (ERP) and strategic Human Capital Management (HCM) solutions to over 400 organisations in 25 countries globally, our clients place a high premium on their people and are looking for scalable long term solutions to leverage their existing investment in Microsoft technologies.*

*Gurango Software Corporation is privately backed, financially secure and includes former Microsoft and prominent software industry executives among its investors, management and board.*
